

Teach English in: **Cambodia**

Welcome to Cambodia

Dawn's light breaks over a nearly thousand-year old spires and shines across the carving of the Buddha in stone. Stepping out of your tuk-tuk and into the world's most preserved temple complex, you marvel, yet again, at the vastness of the surrounding landscape. You're in Cambodia, a country whose name means "Khmer's Land," and your enchantment with its energy has not yet dwindled. Between the wild coastline and accompanying islands, the mysticism of Angkor Wat, and the colorfully fruit-filled boats of the floating markets, you find yourself in constant awe of the rugged Cardamom mountains, vibrant wildlife, and boundless open spaces calling to be explored. Let your adventures teaching in Cambodia begin! Teeming with temples, rice fields, eager students, and hospitable hosts, Cambodia satiates the appetite of even the most ambitious ESL teacher. Whatever your motive, this understated destination is filled with surprises.

The best way to get to know these incredible locals?

There as an ESL teacher with Premier TEFL : the Cambodia teach abroad experts

Placements & Locations

Looking for a truly unexplored, off-the-beaten path destination to teach English abroad where you can drink gobs of coconut fruit shakes with no judgment? Cambodia is the Holy Grail. Most of the country is very rural, so you're much more likely to stumble upon quaint local villages than hordes of fellow ESL teachers.

locations:

Locations include Siem Reap, and Phnom Penh, with some placements in medium-sized towns like Battambang. Between strolls along the Mekong River and counting Wats (there are more than 2000+ of these Buddhist temples to be found!), no two days — or adventures — in Cambodia will be the same.

the internship:

You'll typically teach in class for 22-30 hours weekly, over 5-6 days. Your goal is to improve students' English reading, writing, listening, and speaking skills. Support networks are well established, and you'll have plenty of time weekly to dedicate to lesson planning and school activities.

school placements:

Teach children and teenagers at language schools, private & international schools. Class sizes usually range between 15-25 students. In most cases placement will be organized before your arrival.

perks

Your internship includes a Killing Fields & temples tour. Stand in awe at these incredible Wats during your one-week in-depth culture and language orientation in Phnom Penh which includes free hotel accommodation.

Orientation & Training

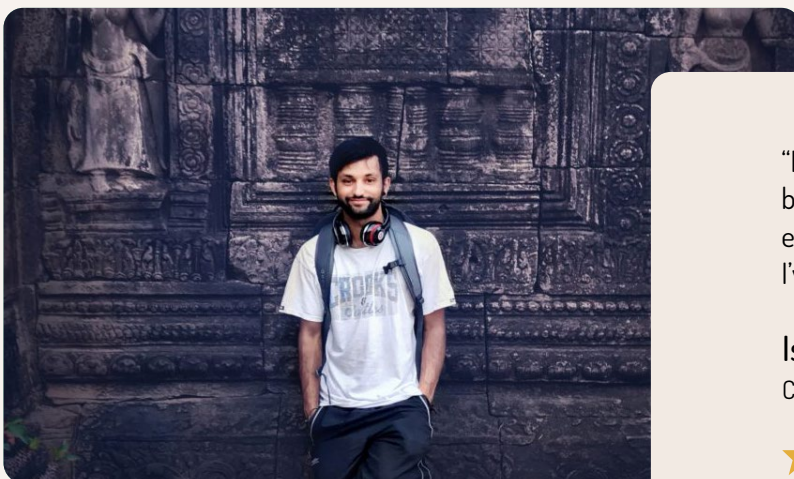

We've created a unique one-week in-depth culture and language orientation to ensure that you get settled into your new life teaching English in Cambodia with ease. This allows you to shake off the jetlag and get the real inside scoop — from locals, program directors, your fellow teachers — on what it means to teach ESL in Cambodia.

Learn some basic Khmer phrases, taste the magic of fried banana leaves, make some new friends (the kind that also revel in explaining the subject-verb agreement for compound subjects), and start your ESL adventure on the right foot.

We'll go over your commute to work as well as what to expect in the classroom. You'll learn the do's and don'ts of Cambodian culture, and — of course — share our insider tips on the best street vendors for our favorite local dishes. Expect a ton of laughter and fun, too!

Verified Premier TEFL Testimonials

"I could go on for ages about the rewarding parts but I'm gonna summarise by saying the sights, the experiences, the people I've met, and the students I've been able to help have all been amazing."
